A DOLPHIN TALE

Dolphin created the first barrier free employment strategy for people with Disabilities, in Canada.

Innovation—what is possible?

Hiring the best person for the job is about more than the job description.

**WHAT IF THE
MEASUREMENT
OF SKILL CAN
HAPPEN
WITHOUT BIAS?**

HIRE for INNOVATION

DOLPHIN - Our experience in uniquely identifying and hiring from an untapped talent pool helped us pivot from a small IT business to a nationally awarded & globally recognized innovative technologies firm. We have learned that diversity of perspective & experience drives innovation, and inclusive designs make for premium solutions.

Great Business is when the good business that you conduct begins to create effect, offering inspiration, hope, and change for everyone.

“TALENT IS OF LITTLE CONSEQUENCE WITHOUT OPPORTUNITY”

DMD CORE STRATEGY – INNOVATIVE APPROACH

WHAT IS YOUR POTENTIAL?

**“CONTINUOUS
EFFORT, ...
IS THE KEY TO
UNLOCKING
OUR
POTENTIAL.”
W. Churchill**

A woman with brown hair, wearing a blue life vest and a yellow wristband, is smiling and holding the flipper of a dolphin in the water. The dolphin is looking towards the camera.
